As always a mega event with all the stars coming!

Some countries could not participate but many new very good teams participated.

About the Corona rules the prize giving was modified in the E Ch to direct after the class, away from the great final ceremony. This new system without owners, breeders, sponsors where the riders decorated themselves with the ribbons, medals & sashes assisted only by one person was not too bad. The riders liked it to get the awards so fast.

The stables were spread over 150 solid stables to keep a large distance for all.

Three different Championships from Newcomer Championship in a medium difficult level, Masters Championship in difficult level and as qualifier for the

Finals European Championships for the ten best riders in very difficult level, was offered.

Almost the same numbers of entries, in 100 classes as last year!! Show Jumping, Dressage, Reining, Trail and all Pleasure Classes and first time with titles for Hunter Pleasure & Ranch Riding. During four days more than 400 starts! Riding from morning till late evening! A real festival for the Arabian horses under saddle.

Normally the experienced riders practice in spring season on open competitions against other breeds. This year nobody could use this events about Corona, all was cancelled. But anyway the riders came and they was very happy to have this great chance in sports and a lot of fun in the costume classes..

Desinfection of gate after every rider, Dr. Helga Hampel

Every year we see better quality of horses and riders!

The star of this event was the 12 year old, youngest rider Neele Schlichte from Germany, with the stallion Al Asbar. Winning all three Titles- Gold Medals- in Show Jumping!! Elegant, with a great partnership with the very talented horse, she was unbeatable!!

The typical speciality of the Arabian horse is the multitasking Sport horse. Many of them showed this in very impressive way.

One of the high decorated Trail riders & from the beginning of Sportevents with us, with several successful horses, was

Westerntrainer & Instructor Andre Reitermayr. He risked to show GFH Sandhya, owner Elisabeth Steiner, not only in Trail in the highest level as he did last year successfully, he showed first time this mare in Dressage, in all levels up to Prix St. George, the European Championship pattern. Always with good high marks and in the ribbons! His message was: we all are Arabian horse riders & lovers and we stay together with the multitasking Arabian horses. For this project an extra special award was given!

With two E Ch Gold medals was Susanne Hoyler & Haifi el Sorrento GER, winner of last year, the Dressage & finally

the classic All Around in E Ch, was their goal. Also with Masters GOLD in Dressage & Classic Pleasure. For NC Ch this rider was not allowed to participate because she was overqualified.

In Newcomer Championship all riders/horses are invited to participate for the title as long as they have not won either E Ch 1.-3. or Masters/Austrian Championships 1.-3.place. About the Coronarules of Austrian Equestrian Federation no Austrian Championships were allowed, so the International Austrian Championships got a new name: Masters Championships.

E Ch Classic Pleasure was this year that class, nobody could take in front of VALRIE & Isabel Bartlechner, AUT, the GOLD for first place. With great movement, strength and correctness the GOLD was their!
The new Title classes Hunter Pleasure was full with riders from both sections, classic & western. All in very good Hunter outfit. The debut of Daniela Entner and Erasmos, AUT was complete when she was announced GOLD medal Hunter Pleasure. The emotion was high, tears where rolling. Ranch Riding, the second new tile class of the E Ch show that this is a very good class for the reining riders. Finally

GOLD E Ch Show Jumping Al Ashar & Neele Schlichte, GER

after different rankings in NC Ch & Masters the GOLD E Ch went to Verena Böckle GER & Ch Silverlight. Last year E Ch Reining. This year Silver E Ch. Two riders with a long history in the event could this year first time reach the E Ch GOLD:
Gerhard Hairas with the horse of Petra Dries, TR Whata Hottie, in Reining, a class with high scores for many riders. The same was in Trail, the scores for most of the starters where over 140!!
It was the day of David Grandits with a proofed Rosaleda Qahira, AUT. Very good ride over difficult patterns. David was absolute happy that he did the GOLD.
Traditional Arabian riding E Ch GOLD went to Magdalena Zellhofer & Ojinegro Qahira, AUT who was also Show jumping E Ch 4.place and Masters 3.place! Classic Pleasure E Ch & Masters silver! Multitalented horse & young rider!

Ladies Side Saddle last year gave her concurrents no chance and stayed again in Gold in this Title. Bronze for E Ch All around Western.

The Dutch lady Canisia Romani with her not so easy to travel Ashraf al Shams, after building extra a new truck for him, won in impressive way the Western Pleasure Gold and E Ch All Around Silver.

Five Nations participated DEN, GER, POL, NED, AUT and for next year we are informed much more will come! The livestream was all over the event from morning till late in the night. All classes also the not so difficult ones where shown and as well accepted.

Special awards for the oldest horse: 23 years old ENZO with 13 years old Tina Schatz successful in NC Ch traditional Arabian Riding 3.place, Western Pleasure 5.th , Masters Championships Trad.Arabian Riding 4.th & Western Pleasure 6.th. ENZO was a few years ago E Ch Reining Champion and now he as old professor, is now the ideal horse for little Tina to step in the competition riding!

The farrest way award went to Denmark, Helena & Carina Byrne with two horses travel down from the north over 1.400 km one way.

The welcome dinner for all rides was forbidden by the Coronarules and instead of this, a reception with champagne was given. Nice chance to have a chat with old & new friends.
